

## General Class Information

Participants are **not required** to commit to a leadership program!

Those seeking topics for personal enrichment or continuing education are welcome! CEUs available!

Other Christian denominations are welcome to participate as well!

Each class title consists of:

- ◆ 20 hours of classroom instruction & interaction usually divided into four (4) non-consecutive Saturday sessions
- ◆ outside reading along with assignments and/or projects which enrich class discussion and each student's learning experience

Class sizes are generally small and instructors do work to meet each student where they are in their faith journey and educational capabilities.

If you are **not** officially registered by the Monday before the first class session is scheduled to meet, and know you plan to participate, it is very important to verbally RSVP by that date, so we can plan and prepare for your participation. Thank you for your courtesy and cooperation.

It is strongly recommended students attend all class sessions, but those students intending to earn a certificate for the class title may earn one (1) excused absence per class title to still have the opportunity to earn full credit for that class title.

Students are expected to arrive each scheduled Saturday by 8:45am; class sessions start at 9:00am and end at approximately 3:15pm.

**Christians for ministry in their home churches, communities and associations!**

**It was Jesus who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.**
