WHAT DOES THIS REGION DO ANYWAY?

American Baptist Churches of Indiana and Kentucky has three priorities: growing leaders, healthy churches, and greater mission and service. We are Together On God's Abundant Journey.

In partnership with supporting local congregations, our Region staff provides a variety of ministries to congregations and ministerial leaders. These ministries are only possible through the financial support provided by local congregations when they give to the Region Mission Offering and Specifics, United Mission and the America for Christ Offering.

Your prayers, participation and financial support are essential to the health of the Region. Thank you for all that you do in the ministry of Jesus Christ.
