2. State Project Update: Nancy Bond will introduce Paul Rollet and his ministry with the poor in Manila, including construction Projects.
3. Love to Warm the Heart: Make a scarf to be included in a Shoebox. ***Bring 1/3 yard of fleece in 2 colors for each scarf and scissors if you can.***
4. Operation Christmas Child Shoebox. You can Google for ideas for ***items to bring; some suggestions are small toys, school supplies, non-liquid hygiene items, craft supplies, shirt. Boxes will be packed during this workshop.***

Chile–The Bolicks

Dwight and Barbara Bolick and their two children serve in Chile alongside the churches of the Convention of Baptist Churches of the Chilean Mission in ministries of economic and leadership development. Their primary focus is with the Mapuche churches in southern Chile . The Mapuche are the indigenous people of Chile and Argentina. They struggle with severe poverty, lack of sustainable livelihoods, and the debilitating, culture-eroding effects of centuries of domination. Barbara and Dwight, with the Mapuche churches, have established programs for the recovery and use of the native language, Mapudungun, in worship, evangelism, and service; entrepreneurship training in a rural context (beginning with the production of traditional weavings, and beekeeping for honey production); and theological education. The Bolicks also serve in equipping leaders among the Convention’s other churches. They both teach and preach in churches from Santiago to the Lake District . Barbara helps churches develop ministries to women and children and Dwight focuses on stewards
