SPOTLIGHT Region Servant Leadership

In 1989, Don Scott came to Indiana as our World Mission Support Representative. Over the course of the last 22 years, Don took on additional responsibilities as an Area Resource Minister, later as Associate Executive Minister and, since Larry Mason's retirement, Interim Executive Minister. Throughout his tenure, however, his heart has remained close to the area of mission support. As Interim Executive Minister, despite what many might see as a time of transition, Region ministry has continued smoothly without interruption. In fact, Region mission and ministry continue to expand, as evidenced by the new ministry highlighted below! As a Board, we are blessed to have such a faithful servant as our leader in mission and ministry. For 22 years, our Region has been blessed by the ministry of Don Scott. Thank you, Don!

Region Ministry Priorities

Developing Leaders

Building Congregations

Greater Mission

HELP WANTED: **Region Mission Partners (RMPs)** in every congregation in the ABC/IN-KY family. RMPs will assist pastors and church leaders in promoting local, Regional and global missions in their congregation. The main focus of the church is mission. By keeping missions in the forefront of Christians' minds, the Church (both global and local) remains a faithful, growing and vital part of God's Kingdom. A special page on our Region website has been created to provide information and support for our RMPs. Quarterly teleconferences are held as a way to engage a network of support, ideas and encouragement to volunteers who have a heart for missions.

Does your church have a Region Mission Partner? If not, please contact us to start the RMP ministry in your church. Call Marc at: 812-235-9303 or email: marckirchoff@abc-indiana.org.

Ask about your church's participation in funding Region Ministry

Your church can support Region Ministry by giving to:

United Mission – America for Christ Offering – Region Mission Offering – Specifics:IN/KY Stamework

Did you know?

Your church is one of 313 churches in the ABC-IN/KY family

About one-third (116) of these churches fund 93% of the Region ministry resources

About one-third (91) of these churches don't fund Region ministry at all
