HIGHLIGHTING THE MINISTRIES OF AMERICAN BAPTIST CHURCHES IN INDIANA & KENTUCKY

Jr. and Sr. High Youth Prepared With Privilege and Purpose—P³ By: Phyllis Goodyear

Kyle Witmer (L) and Bruce Borquist shared with the youth.

Dave Rogers (center) and his band led in worship.

Over 400 youth and their leaders... descending upon the campus of Franklin College; worshipping God and led by David Rogers and his band; growing in their relationship with God and with one another; and fanning out across the neighborhoods of Franklin to collect

more than 2,600 canned goods for the Johnson County Interfaith Food Pantry.

Kyle Witmer and Bruce Borquist shared with the youth around the theme scripture: "For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." (Eph. 2:10) Kyle is past president of ABC-IN/KY and pastor at Avoca Baptist Church. Bruce serves as an International

Ministries missionary in Brazil with his wife, Ann.

The most powerful part of the weekend was the interactive worship service on Saturday evening. Prayer concerns were written and posted at various stations around the gym and attendees prayed for the concerns. Following the session, the board members spent time praying for the concerns as well. They were visibly moved by the magnitude of what had been shared.

On Sunday morning, despite a power outage, the youth worshipped once again under the leadership of David Rogers and one of his band members on acoustic guitar. The service ended with communion. The youth and their leaders went on their way, carrying with them all that they had experienced over the weekend.

Worship was quite lively!

ABC-IN/KY Vision Statement

"As the hands and feet of Christ, *compelled* by his love, we will *do whatever it takes* to reach the lost and serve our communities and churches."

Happy New Year!

Dr. Don Scott
Interim Executive Minister
donscott@abc-indiana.org

A new year is here already! With the dawning of 2012, there is much in the ABC-IN/KY region to look forward to with enthusiasm and positive anticipation. For instance, we believe that a new executive minister will join us this year. As we anticipate new leadership in our Region, let's continue to pray with thanksgiving for the Search Committee and their work on behalf of all of us. When the new executive minister joins us, let us welcome that person as a partner into our churches, common ministries, and into our hearts.

Our new Region emphasis titled Awakening will begin in earnest in

March of 2012. Like its predecessors such as "Church Alive" and "Church Alive-Next Generation," Awakening has the potential to make a huge positive impact on participating churches. Aimed primarily at the 70% of our Region's congregations with an average worship attendance of fewer than 110, Awakening will offer rich opportunities for learning and growth. The key, of course, is participation. I encourage you not to sit on the sidelines and maintain the status quo. Instead, dare to step out of the boat as Peter did in Matthew 14 and give Awakening a chance to be the tool that God will use to enrich your

congregation and its outreach.

Along with the many activities taking place in 2012, it is worth noting that our Region's Biennial Meeting will be held on October 5-6 at Columbus FBC. Using the theme "Awakening," a wonderful planning team is putting together an event that I believe, will be truly outstanding. Mark your calendar now and plan to join us!

As we anticipate what promises to be a wonderful year, I want to say that it remains a privilege for me to serve with you in ministry and I wish each of you a very happy and faith-filled New Year. God Bless!

Churches are Invited to Awaken in 2012

Awakening is an experience designed for congregations whose weekly worship attendance is 110 or less. It consists of seven training sessions over two years with a group of churches from ABC-IN/KY who will work on church health and transformation in order to become more effective in ministry. The first year will lay the foundation by exploring congregational health, transformation and vision/mission. In-between all sessions, churches will work on concrete steps to put their learning into practice.

Congregational Health —

Church leaders will be able to identify several of the benefits of the small church, be equipped to identify and resolve the issues they face, and outline steps for becoming a healthier church.

Church Transformation —

Leaders will begin to understand and introduce the change process, learn what it means to be a missional church, and receive tools to help their churches make better ministry decisions.

Vision and Mission —

Leaders will come to understand the importance of vision for the local church. They will return home with a usable process for identifying core values and bedrock beliefs in their congregation and discover their God-given mission as a basis for future ministries.

The second year will focus on structure, discipleship, worship and stewardship.

For complete information on Awakening, visit our website at www.abc-indiana.org/awakening

The dates for Awakening sessions will be:

2012: March 10, August 25, October 27
2013: March 2, June 15, August 24, October 26

Registration for your team is due by February 13, 2012.
Your registration fee is due any time between February 13 and the first session.

Attention ABW Association Presidents and State Officers!

By: Becky Pohle, Personal Development Coordinator

Please mark your calendars for the State ABW officers retreat being held on March 16-17, 2012 at the beautiful Hotel Nashville. In the midst of our busy schedules, it is very important to take time to relax, renew, and revitalize. During the Officers Retreat, State Officers will share information, plans will be made for the year, and we will be spiritually reminded of why we serve. Every year contains new possibilities. This time of retreat helps us focus on how we are being molded by the potter's hands to do his work this year.

Also, please remind the ladies in your church and association of the summer conference which will be held on June 8-10, 2012. Remember when all the ladies wore hats to church? Summer conference will provide the chance to do so once again! Bring an old hat, make a funny hat, or buy a new hat to wear on Saturday during the conference. Whatever you do, don't keep the conference dates under your hat! Share these dates with *every* lady in your church and association and encourage them to attend.

ABW Women and Girls Mission Fund

By: Janet Moore, Geographical Coordinator

It has been a year now since Kihomi Ngwemi, ABC missionary to Haiti, asked the ABW to help provide funds for health education and cholera prevention. This request was the impetus to begin a new thrust for ministry to women and girls. The needs for extra funding for special projects are never-ending, and the ABW feel they have come up with a solution for frequently asking for extra offerings. In the past, monies used to be sent to Leadership Development, Refit, AB GIRLS ministry, and other national projects, such as Break the Chains. These are now part of the Women and Girls Mission Fund (WGMF). One can still send funds designated for the individual ministries. However, all undesignated funds will go into the WGMF to be used as the need arises. How can this fund be supported? It was decided at the national board meeting in October of 2011, to designate the month of January as a time to hold fund-raising events in local churches. Through these fundraising events, the ABW are looking forward to having the funds available so that when a very real need arises, the ABW is able to meet that need. There are informational brochures available for anyone upon request. Please email Jane Moore at jim.jan.moore@sbcglobal.net or call 765-621-7477.

Raising Awareness in Indianapolis and Beyond

Human trafficking is an issue around the world. We hear about child brothels in Thailand and brick kilns in India, but human trafficking is an issue that also affects many "in our own backyard".

With Indianapolis holding the Super Bowl in 2012, this issue will be in our backyard! Women and children are routinely brought into areas hosting big events that cater to a primarily male population, and there is no bigger event than football's Super Bowl. Spending in the locale hosting the event can range from \$150 million to the record-setting \$195 million spent during the Super Bowl played

in South Florida in 2007.

Has your heart been touched by the ABW Break the Chains emphasis? Do you want to continue to make people aware of the issue of human trafficking? ABW Ministries of Indiana has an opportunity to sponsor a Bill Board concerning this issue during the Indianapolis Super Bowl 2012. (See picture above)

Donations can be sent to the State Treasurer, Carolyn Porter at 6317 Turner Drive, Clayton, IN 46118. Contact Robin at 812-988-2808 or ronolin@indiana.edu with questions.

Service Of Remembrance Held in Amo

On Sunday, September 11, 2011, the town of Amo along with the community churches - Amo Friends, Amo FB, and the United Methodist Church of Amo held a 9/11 lunch and Service of Remembrance. First Responders, which included Fire Department personnel, Law Enforcement officers, active Military and Veterans, were honored. Each person honored was given a certificate of appreciation as well as a small patriotic bag with some mementos and treats. The congregation of Amo FBC feels blessed by the town's First Responders and Military, both active and Veterans!

Pastors representing the churches participated in the service by reminding those present of some of the events of 9/11 and giving words of hope and inspiration. A community choir sang *GOD BLESS THE USA* and a solo

titled *LAST CALL* was performed by one the Amo FBC church members.

The community of Amo gives THANKS and PRAISE to GOD for each of the First Responders who currently or have in the past put their lives on the line for them!

Oak Grove BC Enjoys Basement Remodel

Oak Grove BC celebrated the remodel of their basement on October 9, 2011 with a dedication and open house.

Pastor Al Brown gave the morning service and dedication. The Grace Trio from Indianapolis provided special music. A pitch-in dinner was held on the day of dedication and enjoyed by all.

"The Dungeon" has been transformed into a bright, cheerful, carpeted, warm and comfortable place for the young people appropriately named the "Sonshine Room".

The Lord has truly been blessing Oak Grove BC. With guidance, faith and prayer through Jesus Christ, Oak Grove BC will continue to share His words of love, grace, and salvation.

Community of Amo Celebrates Thanksgiving

On Sunday, November 20, 2011, 100 people attended the Amo Thanksgiving Community Service. A variety of special music from Sandy Boswell of the Friends Church, the United Methodist Praise Choir led by Cindy Torrance and Pat Nye Miller to our own, Joyce Nye White of FBC, blessed those in attendance. Pastors from the community including, Shelly Zook, Mike Torrance and Larry Boswell participated in the service by providing prayer, a responsive reading and the children's message. Emma Cline of the Baptist Church read scripture, and

Dr. Jim Walter brought the message.

No Thanksgiving Community Service would be complete without a meal to share. Plenty of turkey and lots of delicious side dishes and desserts were served. Thanks to all who attended, participated in the service and provided the food. What a testimony to the community! A special THANK YOU to all the children from the community churches and Mill Creek West Elementary who drew pictures depicting what they are thankful for.

Clayton FBC Assists Operation Christmas Child

In November of 2011, Clayton FBC enjoyed serving as a Relay Center for the outreach program Operation Christmas Child. Churches and individuals left their gift-filled shoeboxes at Clayton FBC where they were tallied and loaded into special cartons for delivery to a collection center in Indianapolis. Clayton FBC collected 427 shoeboxes, including 124 that were donated by Clayton FBC. The boxes were delivered to a semi-trailer at the collection center where they were added to approximately 8,000 additional boxes from other relay centers. Then, everything was transported to a processing center in Boone, North Carolina. The members of Clayton FBC were truly blessed to assist with Operation Christmas Child and its ministry to some

of the world's poorest children. To introduce the children to Jesus, discipleship books written in the native language of each child will be given with every shoebox gift. The goal of the discipleship program is to teach the children that the love of Jesus is the greatest gift of all.

The Journey Church Celebrates Anniversary and a Continuing Heart for Mission

In July 2001, ABC-IN/KY celebrated the planting of a new church in Westfield — The Journey Church. This summer, the congregation celebrated its 10th anniversary under the leadership of Pastor Paul Albrecht. It is estimated that over the 10 years, the church has ministered to more than 200 people in the Westfield area and has baptized about 50 people into the faith. The church continues a strong ministry built upon a foundation of contemporary music, mission-minded small groups, social concern, and Spirit-filled worship.

This past August, Brad Humphrey, a young man living in Indianapolis, was paralyzed in the stage collapse at the State Fair. As a result of the accident, Brad is confined to a wheelchair and his home had to be remodeled to accommodate his new lifestyle.

Phil Gettum, a member of The Journey Church and our ABC witness in Westfield, owns a remodeling company. At the suggestion of another Journey Church member, Phil agreed to remodel Brad's home as a "Good Samaritan" project. This was estimated to be a \$70,000 job! With

his own workers volunteering time, and with other organizations donating materials, Phil designed a plan to remake Brad's home. On Tuesday October 11, Phil was featured in a news piece on Channel 8 TV in Indianapolis. When asked what he needed, Phil said, "Prayer." Indeed our prayers were with Phil as he and his company worked hard to create a fully accessible bedroom, a user-friendly kitchen, and new flooring. The hands and feet of Jesus were at work in Brad's life.

McDoel BC Calls Dan Yeager as Pastor

McDoel BC called Dan Yeager as pastor on June 12, 2011. The church search committee met Dan at the Face to Face event in February. He was installed as pastor on October 23. Dr. Don Scott presented the message. Both the choir and the bell choir performed during the service as well.

Pastor Yeager is mission oriented and he encourages the congregation to focus on their spiritual gifts so they may carry out the mission of McDoel. Dan and the congregation shared their heart for mission when they agreed to invite Martha House, a homeless shelter nearby, for an "After Thanksgiving" dinner held later in the year.

Dan also travels central Indiana as a mobility specialist assisting people to

McDoel BC feels blessed that Dan and Cheryl have been called by God to serve with them.

Bethel BC Youth Participate in National Penny Project

The young people of Bethel BC (Owen County) are participating in the Penny Project, the Children in Poverty initiative of the National American Baptist Churches Ministries.

The "Penny Project Missionaries" are collecting pennies in an effort to help reach the nationwide goal of 14 million pennies which represents the estimated number of children suffering in poverty in the United States and Puerto Rico.

Each Sunday during the Mission Moment, the Penny Project Missionaries add the new pennies to those already collected. To date, 29,947 pennies have been collected.

Pennies came "rolling in" following a news article that appeared in a local newspaper. One family contributed

pennies they had been saving for nine years, while another family contributed more than 20 pounds of pennies. Pennies were contributed to Bethel Church instead of being deposited in the bank as well.

When the nationwide goal is reached, the pennies will be donated to local food pantries, homeless shelters, and other similar organizations at the local level.

Two SE Area Churches Hold "Trunk or Treat as Community Outreach

Osgood BC

In October of 2011, Osgood FBC held the third annual "Trunk or Treat". The women from the ABW organized the event. There were approximately fifteen cars "decked out" for the occasion. Young people from the ABY distributed hot-dogs, cider, hot chocolate and coffee while church members passed out tracts. It is estimated that approximately 1000 attended this community celebration. God is so good!

Columbus FBC

On a chilly Halloween evening in 2011, Columbus FBC hosted "Trunk or Treat". Several of the members drove their vehicles to the church parking lot, decorated the "trunks" and distributed candy to the neighborhood children. Hot drinks were provided along with games for the children's entertainment.

Shiloh BC Youth Share the Love of Jesus Through Operation Christmas Child

During the November meeting, the Shiloh Baptist Jr. Bible Study kids held a Pack-A-Shoe Box Party for Operation Christmas Child. The twenty-two shoe boxes were brightly wrapped in Christmas paper and filled to the top that evening.

On Sunday, November 13th, church members brought in their shoe boxes,

making a total 57 filled shoe boxes that will be shipped to children so they will experience the joy of Christmas.

Supporting Operation Christmas Child offers the opportunity to touch the lives of boys and girls less fortunate and to share the love of Jesus Christ thru each shoe box.

Memorial BC Installs Two Into Bi-Vocational Ministry

On November 13, 2011 Memorial BC in Columbus installed two of their own into bi-vocational ministry roles. Carolyn Pool began service on November 1 as Minister to Children, joined by Crystal Miller serving as Minister to Youth.

"Crystal and Carolyn bring quality ministry experience and strong convictions to these roles," says Pastor Jimmy Collins. "They have caring hearts and are determined to see our children and youth grow deeper in their walks with Christ."

Before coming to Memorial, Carolyn

was active for many years in youth and children's leadership. Crystal grew up at Memorial and has been active in service and leadership. Memorial intends to enroll both women in CLI.

South Bend FBC Celebrates 175 Year Anniversary

A Grand Celebration was held at South Bend FBC in September of 2011! It all started on September 14, 1836, when 8 residents of the young state of Indiana organized to become the First Baptist Church of South Bend. On a day befitting a grand celebration, 175 years later, the congregation, community and region celebrated the long standing mission and commitment to its community, state, nation and world! The celebration began on the evening of September 10th with a dinner on the lawn and then continued in full-force September 11, 2011. Over 200 people in attendance enjoyed a service led by Pastor Janell Bloem and members of the church who served as clergy, were children of past clergy, or those who were called to serve as clergy elsewhere.

Pastor Janell Bloem leads the service

Representing ABC-IN/KY were Don Scott and Jim Walter. Those in attendance also enjoyed a fabulous and uplifting message by Dr. Jerry Cain, President of Judson University. May we all say, in the words of Dr. Cain, "HappyDemisemiseptacentennial FBC South Bend!"

CCCA Conference Report

During the week of December 5-8, 2011, the camp managers of the three Baptist camps in Indiana attended Engage 2011 held by Christian Camp and Conference Association (CCCA) National Conference at Ridgecrest Conference Center in Asheville, North Carolina.

Those attending were Don and Sarah Snyder, co-managers of Southeastern Baptist Youth Camp in Westport, (Southeastern is owned by Associations and Churches of Southeast Indiana); Rebecca Scott, manager at Tippecanoe Baptist Camp in North Webster; Jordan Morris, manager at Indian Creek Baptist Camp in Bedford, (Tippy and Indian Creek are owned by ABC-IN/KY); and Mike Wilson, Executive Director of ABC-IN camps. This was the first time for everyone to attend the CCCA Conference. Rebecca Scott will be the incoming president of the CCCA Indiana Section. Don and Sarah serve on the Board of the Indiana CCCA.

The Conference featured speakers from all over the United States and several countries. The keynote speaker was Michael Flaherty, President and Founder of Walden Media. Michael has produced a number of films including *Charlotte's Web*, *Bridge to Tarabithia* and *Journey to the Center of the Earth*. He spoke of the power of the story and how to engage guests (campers). Michael demonstrated how the world and hearts are changed through stories, such as those we experience through camping.

Peter Reid, the principal of Torchbearer Bible School in Bodenseehof, Germany led worship services each morning and evening. He offered words of hope and

encouragement to nearly 600 camp managers at the conference.

Track seminars were offered in Camp Leadership, Human Resources, Program Development, Site and Facilities, and Legal Issues. Over 70 exhibitors with innovative and resourceful products were available to offer products that help to make camps more effective and efficient. The exhibits covered products from Camp Insurance to Camp Registration Software; Foodservice to Fundraising; and apparel to tents.

The managers were able to attend due to a grant from The Ministerial Excellence Fund and funding from ABC-IN/KY. Everyone felt it was a great experience and the time spent travelling together was valuable in creating a good relationship among the camps as well as throughout the country. Every one came home filled with ideas amid the realization that they are not competing for campers, but that all are engaged in creating a Christian experience for the children. The camp managers can't wait for the 2012 camping season and are certainly ready to go to San Diego for the 2012 Strong and Courageous CCCA Conference.

Chats with the Camp Cats!

Dear Bedford,

I'm sure you will be busy with the activities coming soon to your camp.

Rebecca and I are busy preparing for the Senior and Junior High Winter Camps coming in December and January. Our website: www.camptippy.org has a lot of information and registration forms for the Winter Camps. I sure do hope that lots of young people will come to the camp for the

winter retreats!

I am really looking forward to the "Mom's Getaway". It is going to be held on April 16-18, 2012. You know what that means, don't you? Spring will be here! It also means that the kids will be returning soon after for summer camps. YAHOO!

Rebecca works really hard to get the camp ready for summer and I know that Jordan and Mindy do too. I think people

should give the camps a call to see what their congregation or small group can do to help with the preparation. Camp Tippy's phone number is: 574-834-4184, and Indian Creek's number is: 812-279-2161.

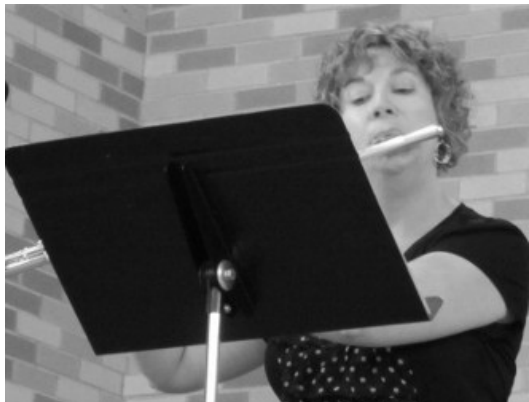

Well Bedford, I hope you had a wonderful Christmas. I'm thrilled with my new scratchin' post!

Take care, Webster

Senior Adult Day - Oct. 2011

By: Bob Hammond

Shannon Silver adds inspiration with her music

Even the rain was unable to dampen the spirits of almost two hundred senior adults who gathered at Seymour FBC for a day of fellowship and inspiration! Favorite hymns were led by Stephen Lee and accompanied by Gwen Hardin. Warm greetings from Don Scott and Indian Creek Camp Manager, Jordan Morris, preceded stimulating devotions by Pastor Bruce Cochran of the host church. Local musicians Jeanne Nichols and Shannan Silver added inspiration with their musical selections.

Curiosity was aroused by Lori Keith, who showed and explained her antique sock-knitting machine. Products of these machines kept many soldiers' feet warm during World Wars I & II. Those in attendance were informed of the interesting history of First Baptist Church and the surrounding Jackson County area. Martha McIntire told how the church had helped to tone down the

lawless nature of the area in the early Nineteenth Century.

Of real practical help to older adults was the presentation on scams and identity theft by Michelle Mayer from the office of the Attorney General. She presented information and resources to protect potential victims

of attempts by scammers and fraudsters to separate people from their money through devious schemes.

Attendees enjoyed a tasty luncheon of soup and sandwiches followed by homemade cobblers for dessert.

The principal afternoon program was a delightful visit to the State Fair. "Lasting Impressions," a group of talented senior adults from the Mill Race Center in Columbus, dressed in a variety of costumes, sang their way through a list of comic songs geared to the fair attractions. There was a carousel, a milking demonstration, cotton candy vendor, and other bright attractions. They closed their program with a series of inspiring and uplifting spiritual songs.

All who attended went home with the feeling that the day was well spent and filled with thoughts of anticipation for the next Senior Adult Day to be hosted by the Crawfordsville FBC on Thursday, April 12, 2012.

"Lasting Impressions" sing their way through the State Fair!

Getting Back to Our Roots

By: Ruth Proctor

A quick look through photos from my various vacations would verify that I am fascinated with tree roots. There are pictures of the large exposed roots of fig trees in central California that are big enough to form little houses for small children to play in. There are pictures of the roots of trees along the rugged shoreline of Door County, Wisconsin. These roots appear to be the only thread-like tethers keeping these scraggly trees from falling into Lake Michigan.

Roots provide nourishment, bringing the life sustaining nutrients, oxygen and water from the ground to the rest of the tree. The root system stores food reserves and can be four to seven times larger than the tree's visible crown. Roots offer stability and support and enable the tree to stand strong in the face of adverse weather. Without healthy roots, trees cannot survive.

Discipleship is to the Christian what

roots are to the tree. Both the learning and the serving aspects of discipleship feed and encourage us, giving us what we need to grow in our faith. That growth then becomes a reserve for us, an anchor, enabling us to be both firm and flexible as we face life's challenges. The larger our "root system", the more Christ is visible in our lives. Discipleship is crucial to our Christian life.

Discipleship Partners Network is available to assist the local church in the many areas of discipleship. We are currently in the process of planning for additional ways that we may be of service. You may contact Ruth Proctor at proctor606@frontier.com or at 260-493-1694 for more information.

Dr. Joseph Huse Joins Baptist Student Foundation Staff

The Baptist Student Foundation at Purdue is happy to announce that the Rev. Dr. Joseph Huse joined our staff as Director of Mission Advancement on September 1, 2011.

Dr. Huse brings a wealth of experience and expertise. He has been a pastor in several churches over the years, served as director of a regional conference center, worked as an agent for Cooperative Extension Service, and held positions with ABC-GI and with the American Baptist Foundation.
