

CLASS DESCRIPTION

Spiritual formation is the development of a living, breathing relationship with God. God created us for relationships. As Christians, our deepest desire should be to draw closer to God. Through self awareness and spiritual disciplines, we experience the marvelous miracle of feeling Christ living in us and through us. The purpose of this experience is to develop skills that will nurture and aid our growth of a lifelong relationship with God. Living is a process that begins with birth, and for the Christian never ends. It is filled with learning, loving, and relating to others. This class is about living a life that draws strength and connectedness through the Holy Spirit to enhance our own lives and touch the lives of others for the glory of Christ.
