Include local missions and community projects. If dually aligned, include amounts given to other denominations.

Total Church Income: \$ _____

Include income received from all sources for all purposes, including mission contributions. Do not include loans.

Total Local Expenditures: \$ _____

Include everything your church and its organizations spent during the year, such as pastoral salaries and benefits, mortgage payments, etc. DO NOT include mission contributions or transfers to a building or endowment fund.

Person Completing Annual Church Clerk Report

Please have the pastor and the church clerk review the completed Annual Church Clerk Report information. This is an important document in the ABC Archives for every church. It can prove your church's denominational relationship and cooperation in the possibility of future legal questions (e.g. non-profit status if sponsored through ABC-USA, proving your ABC relationship to receive a bequest, etc.)
