## **CLI REGISTRATION INCENTIVES**

### ***EARLY REGISTRATION INCENTIVE***

If an individual registers for any course on or before the early registration deadline, the registration fee for the course is only \$125. Postmarks must be the same or before the early deadline date listed for the course.

### ***CHURCH INCENTIVE PROGRAM***

If five (5) or more individuals from the *same church*, enroll in the *same course* offered at the *same location*, the registration fee will be \$99 for each of those individuals.

- Registration forms and fees for at least the first five individuals must be postmarked or received before the early registration deadline for the course (which is usually about four weeks before the first class session).
- To be included in this church incentive, remaining registration forms and fees must be postmarked or received by the registration deadline for the course (which is usually about ten days before the first class session).
- No other CLI incentives will apply including, but not limited to the CLI scholarship and CLI referral program. “Student audit” and “spouse audit” registrations cannot be included in the *minimum* number of registrations required for this incentive program.

### ***REFERRAL PROGRAM***

For every new student that enrolls in a CLI term with you, you can earn \$25 towards your next registration fee!! They don’t even need to take the same course you do and they don’t need to commit to one of our long term programs!! Just make sure you talk to Jennifer Greene about each person that enrolls as *your* referral to make sure you get credit! New Student=someone who hasn’t participated in CLI in the last 5 years.

### ***OPTIONS TO AUDIT A COURSE***

- If there is space available in the classroom, there are 2 different ways to audit a class:
  - **STUDENT AUDITS**
    - Any individual has the option to audit any class for a lesser fee of \$90.
    - Must complete a registration form & mark the payment box with the words “student audit”
  - **SPOUSE AUDITS**
    - A spouse of a paying student can attend classes with their spouse free of charge.
    - Must complete a registration form & mark the payment box with the words “spouse audit”
- Those auditing...
  - may participate in class discussions
  - will not turn in assignments for feedback or credit
  - will not earn a certificate of completion
