ABOUT THE INSTRUCTOR:

Rev. Dr. Jim Walter served on staff with ABC-IN/KY Region Ministry for 27 years before retiring in 2015. During his years on staff, he served as Director of Camp Ministries working with our region camps, and then, as a Resource Minister to Northwest and West Central Indiana churches and pastors. During his 40 years of ministry in Indiana, he has served as a youth pastor, associate pastor and solo pastor as well.

Since his retirement, he has served in Interim positions and provided pulpit supply occasionally. He served as the Interim Executive Minister for ABC-IN/KY while Soozie Ford took a 3-month sabbatical in 2018, and is currently serving as an Interim Region Minister to Northeast and East Central Indiana churches and pastors.

Christian education and discipleship have been Jim's focus during his entire ministry. He has led hundreds of workshops on teaching children, youth and adults for local churches and region-wide events.

CLASS HIGHLIGHTS:

- * Explore the importance of Christian Education in and outside church congregations
- * Explore the concepts and purpose of Christian Education
- * Consider the variety of contexts in which Christian Education occurs
- * Research and critique several types of curriculum
- * Evaluate the Christian Education system of each student's congregation
- * Explore methods of teaching and learning
- * Explore how culture influences methods of educating and the importance of the church
