

Conflict Resolution Training for ABC-IN/KY Pastors

Jesus prayed for it. Jesus prayed specifically for us to have it. It was the one thing He prayed for disciples to have in His absence. The world claims to seek it but only reflects the opposite more and more each day. The word is almost foreign to our language. Unity. More so than anything else, Jesus prayed that we may be as one to the same level as He and the Father are one. How many of us would characterize our church in this way? What priorities have we placed above unity? Many churches are plagued by conflict with no pathway forward.

A FREE two-day (in-person) event for ABC-IN/KY Region pastors, brought to you from proceeds of the Region Offering! CEUs available upon request (indicate below).
Once registered, watch for a follow-up email from Mark Thompson, Executive Minister.

Led by staff of The Colossian Forum/WayFinder: “There is a better, proven, Biblical way – The Colossian Way. We’ve equipped hundreds of leaders like you to guide others to the truth of the Gospel, right at the heart of conflict. By helping your congregation apply their Christian commitments as they disagree, you’ll fend off division and foster discipleship and spiritual growth.”
