- Applicants must be **baptized & a member of an American Baptist Church** IN/KY for at least one year.

This letter should list specifics about the applicant's involvement in church/campus ministries. Applicants should not read the letter. The letter is to be sent by the person who prepared it and sent to the State Church & Community Coordinator/designated email address or home address listed below: **IN_ABWM_Scholarship@outlook.com**. It also must be post marked/received by February 15, 2023.

Scholarships are granted to undergraduate, single students (post high school) and include those pursuing vocational and technical training. All first, second, third, and fourth year, full-time students will be considered equally. Only one applicant per family each year will be considered.

The Indiana ABWM Church & Community Committee will review all applications and scholarships will be granted on the basis of faith-based dedication, financial need, and scholastic ability. Alternates will be chosen and will be notified should any selected student decide not to attend college. All applicants will be notified of the committee's decision, no later than May 31. If you are not selected, you are encouraged to apply again.

\$500 Scholarships will be awarded and are one time only. The American Baptist Women's Ministries state treasurer will send the scholarship checks for \$500 to the student's home in August. These funds may be used for any educational expense; recipients are not required to provide documentation as to its disbursement.

This scholarship also includes the support of several American Baptist Women throughout the entire school year. Recipients can expect to receive prayer support, cards and small gifts. Recipients are expected to send hand written thank-you notes for all gifts they receive from the ladies. Students may be invited to attend meetings or conferences; attendance is not required.

It is the recipient's responsibility to notify the Church & Community Coordinator of any changes related to attending higher education (such as, but not limited to, changing schools, marital status, illness or cancelling plans to attend.) Scholarship money should be returned if recipient chooses to not attend college.

All application information must be received/postmarked by February 15, 2023 and e-mailed to **IN_ABWM_Scholarship@outlook.com** or mailed to Coordinator's address listed below.

Any questions regarding the application process should be directed to the State Church & Community Coordinator.
