ABOUT the CLASS:

The goals of this class include increasing understanding and appreciation for American Baptist missions and evangelism - regionally, nationally, and internationally as well as to focus on biblical financial stewardship as the monetary foundation of American Baptist missions and as one focal point of one's discipleship.

ABOUT the INSTRUCTOR:

In 2012, Rev. Dr. Don Scott retired after more than 20 years on Staff with the ABC-IN/KY Region Ministry. He relocated to Indiana in 1989 to serve in the capacity of Minister of Mission Support for both ABC-GI & ABC-IN/KY. Additional roles since, included Resource Minister for the West Central Area and concluding his full time service As the Interim Executive Minister of ABC-IN/KY.

Don has had the opportunity to visit many areas of American Baptist missions both overseas and in the United States. His strong interests in American Baptist missions, biblical stewardship & evangelism have been areas of emphasis throughout his ministry and will be reflected in this class.

All persons interested in American Baptist missions are invited to take this course, regardless of your intentions relative to other CLI classes.
