NAME: _____ GENDER: M F AGE: _____
MAILING ADDRESS: _____
PHONE NUMBER: _____ Do you text? Yes No EMAIL: _____
Emergency Contact, Relationship/Phone Number: _____
Drug Allergies _____ Environmental Allergies _____
Diet: I eat anything OR Special Diet (CIRCLE ONE) _____ Food Allergies _____

This trip to Western North Carolina is for the purpose of helping a community recover from the effects of Hurricane Helene that hit in September 2024. **List any skills you have and grade your skills ("A" for great, "B" for pretty good, "C" for not too bad)** for this mission trip. Some examples are: General (willing hands but no specific skill), plumbing, electrical, painting, dry wall, roofing, first aid, carpentry, cooking, cleaning or other (be specific).

The purpose of this mission trip is to assist in the rebuild/repair of buildings destroyed by natural disasters and offering support to the community (such as, but not limited to, working in warehouses) following these natural disasters. Despite all attempts to prevent injuries and promote safety, I understand there is risk of personal injury to myself because of my error or that of someone else. Persons using all power tools and equipment (such as, but not limited to, fork lifts, saws, drills, chain saws) will have their skills assessed for their ability to safely operate said equipment. I agree to promote safety during ALL activities for ALL persons that I may work beside on this mission trip. This also includes recreational/free time. I understand that I could be asked to leave the Mission trip if I am participating in UNSAFE ACTIVITIES.

I recognize that I will be representing Jesus Christ and plan to conduct myself accordingly.

I give consent for treatment by medical professionals should the need arise and I am not able to speak for myself. In the event that medical treatment is necessary, I understand I will be responsible for any/all costs, whether I have health insurance or not. **Please provide a copy of your medical insurance card with your registration form.**

I also give my permission for the Coffee Creek Baptist Association to take my picture and use said pictures on their website, social media sites, in American Baptist publications and in promotions of these mission trips.

I will not hold Coffee Creek Association nor any other entity or its volunteers liable for any damage/loss to personal belongings and/or injury or illness. After reading the above statements, I agree to participate in this trip at my own risk.

Please write any additional information on a separate piece of paper and attach with your registration form. Thank you.

Checks should be made payable to "CCA ABWM."

2025 WNC June Mission Trip Registration Form

2025 Coffee Creek Association Mission Trip Registration Form

General Information

MANY DETAILS CANNOT BE FINALIZED UNTIL AFTER THE REGISTRATION DEADLINE since that is when we will know who is driving, how many people are going, etc. We will have a contact in Western North Carolina who will need these details before they can finalize the housing and job assignments for us. **Once they are known, they will be shared with you.** Most communication happens via email; for those without email, you will be called. **Please check your email daily** in the week prior to our departure date.

Transportation

Details will be finalized once all registration forms are received. You will need to decide if you want to drive to our destination or carpool.

Housing

This too will be finalized after the registration deadline so we have a “head count;” on past trips we were housed in a church, free of charge. Some churches provide cots, some do not. You should have a backup plan for “mattress” (Examples: air mattress, foam pad, sleeping bag, etc.) in case they do not have cots for us. Depending upon the size/layout of the church, we may be able to divide among their Sunday school rooms or we may need to split into men in one section and women in another section. The churches we have stayed in on previous trips have had shower facilities in their buildings or nearby.

Meals

Sometimes we are fed by people of the church/community and sometimes we cook for ourselves. We eat 3 meals per day and have snacks so you will be well fed!

Miscellaneous

We will watch the weather of course while we travel and work. Weather can change our work assignment too. **We always promote safety!**

Our work assignment hopefully will be made known before we arrive in Western North Carolina. If it is, you will be notified. Once we know, you may be invited to bring some appropriate tools.

There will be opportunities for you to volunteer with portions of our trip. Some examples may include: transportation to Western North Carolina, transportation from base to work sites, food/cooking, photographer, devotions. You will have opportunity to sign up the week before we depart. Expect more details the first week of June! Be sure to check your email!

Packing

You will need your own bedding (pillow, blankets, sheets), your own personal hygiene items (soap, shampoo, razor, etc.), towels, washcloths, personal clothing to wear while working (the kind that could get really dirty/stained), pajamas, your medications, cell phone & charger for your phone & other personal items. Depending upon our work assignment, you may want long sleeve shirts and long pants and boots. You may need insect repellent and sunscreen. **Open toed shoes are not permitted at the worksite!** If you can, bring work gloves and safety glasses.

**Thank you for going as the Hands and Feet of Jesus! We go to be a blessing and
You too will be blessed beyond measure!**
