October/November 2022

Together at last...

After years of being far from each other, we've been able to share with many along the road. In **August** we had a precious time in Puerto Rico with our home church and loved ones and in **September** we enjoyed Alberto's presence at home while working remotely for IVP. What a blessing to recharge and celebrate birthdays together for what is ahead!

In **October** you can still join thousands across the country to celebrate and give financial support through the **World Mission Offering** to ministries that God is using to transform the world. Please visit <https://www.internationalministries.org/world-mission-offering/> to access the materials in English; also in Spanish!

Also in October we will be *together at last* with many of you, beloved siblings in Indiana, and others in West Virginia. If you are not connected to an ABWM of Indiana association/circle, here is the agenda so you can find the meeting closest to you, if you'd like to see the appointed deputation ambassador for your BGs!

October 20-24 will be the visits in West Virginia. Prayers are appreciated as we share at the West Virginia Baptist Convention annual gathering, an association gathering, and services in two churches on Sunday before returning home on Monday!

We are looking forward in **November** to the Conference for Missionaries on US/PR assignment. As we continue *responding together for good*, we pray you and yours will be prayerfully considering your pledged support for 2023 and thereafter. Whether going for the first time to the mission field, or into a new country of service, or serving as seasoned global servants, all of us need to have 100% of pledged support to underwrite our ministries. We are grateful for those who have so faithfully accompanied us for so many years! We are looking forward to those who will join us hereafter. Together our gap from 75% to 100% can be filled. No gift is too small nor too great. To set up or update your recurring gift, visit: <https://portal.internationalministries.org/give>.

While on US/PR assignment, you and us (we) continue making disciples, teaching them to *learn to live* and *teach* others as the *disciples of the Way*. We continue developing materials that are used in online and in-person discipleship encounters in different countries. We continue caring for those in difficult situations in the countries we serve. We continue to envision resuming the short-term mission experiences in our region when we begin our new term of service. YHWH YIRE! To have 100% pledged support by **December** can be the most encouraging Christmas gift ever! May it be so...
