

**Mandate. Commission. Multiply. Clarity. – January to April 2026**

This 2026 is flying by, isn't it? God has been showing us this year so many times, in so many ways, and through so many people, how much He loves us. His love for us is all the fuel we need to continue loving others the way He loves them too. Let us see how we can summarize why we say this in a few paragraphs.

First, after last year's 12, we've been traveling differently this year. After the 12th trip, we made a 13th trip in December. We did what y'all often do through us and our colleagues: your BGs traveled through someone else. With resources provided by some of our sisters in Puerto Rico, Ruth was able to share some Christmas cheer with the Wayuu children in The Guajira, Colombia. Though we couldn't travel in person, we traveled through her and we rejoice knowing that these children didn't go without a Christmas celebration. Praise be to God who provided. Grateful to Ruth who was willing to go on our (and our PR sisters') behalf.

As we faced a new year of ministry, our first trip was in February to California for the Aspire Network conference. What a joy to be reminded and encouraged as we continue serving in fulfillment of the **mandate** we have in the great **commission to multiply** as His children. As we make disciples, we give out of the overflow of our own intimacy and connection to Jesus, like Mary knew to sit at His feet. Bathed in prayer and by prayer warriors that keep our arms up, we keep walking with the Way each day. We are so grateful.

Being physically close to our network is something that has eluded us in recent years due to our circumstances. Last year we visited many, yet more are still in the pipelines of our catch-up visiting routes. March and April bring us closer to a part of our network in Great Rivers, Indiana / Kentucky, Michigan, New York, and Ohio. May and June bring us closer to our partners in Spain as we share our discipleship materials with those

who are planting the 15 new churches in their "15 by 2030" outreach. We will also share extensively with our partners in Chile from January to March of 2027 in convention-wide, disciple-making encounters as they are also expanding throughout their land.

How else can we continue if it weren't for the encouragement of y'all and the certainty His Word gives us...We leave you with two choruses of two worship songs that have been resonating with us:

I'll take You at Your word	Everything I need, everything I need
If You said it, I'll believe it	My Father has it, my Father has it
I've seen how good it works	Every single time, the Lord will provide
If You start it, You'll complete it	My Father has it, my Father has it
I'll take You at Your word	

We are grateful to God who continues to bring to our network prayer warriors. He is also bringing those who are committing and providing **ongoing monthly financial support** that enables our ministry to continue thriving in Iberoamerica and the Caribbean. There are always need and room for more to join us as we serve in terms of 5 years at a time and more countries continue to invite us. Your spot in our network is ready as He nudges you. We believe it, He provides and completes what He begins. So, we keep **seeking first the kingdom and its treasures**, as the second song reminds us in one of its verses.

If anything, we are reminded with **clarity**, is how much God has loved us that He sent His own beloved Son to save us and make us His very own and beloved children. What a privilege to share such good news with others who are learning to walk with the Way as we continue to learn, live out, and teach others around us. Isn't that good news for you too to share with others around you?
